Description
Please note new passcode number:

Please use this phone bridge to join the call:
Phone Bridge: [REDACTED]

Call between local, state, federal, and tribal partners to discuss the mine-water contamination of the Animas and San Juan Rivers in CO/UT and its potential impacts to Utah, to establish the public health messaging for the event, as well as to establish criteria upon which an "all clear" signal can be given for unrestricted use of the potentially impacted waters.

Please add others to guest list to attend.
